TUFF-LOCK™**Interlocking Rubber Tiles**

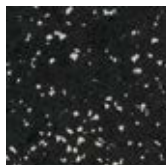

Tuff-Lock™ offers durability, great looks, and easy maintenance with the added advantage of easy-to-install, interlocking tiles. The 24" x 24" puzzle-cut tiles are easy to handle and fit together without the need for messy adhesives. Tight fitting puzzle edges hide seams and reduce dirt buildup. Tiles are easy to cut or trim with a standard utility knife. When compared to the installation costs of glue-down flooring, Tuff-Lock™ is an economical flooring solution.

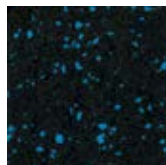

100% Recycled

PERFORMANCE SPORTS FLOORING

Interlocking Rubber Flooring Tiles

Pavigym tile is an interlocking flooring system that is easy to cut and fit in rooms of all sizes. PaviGym tiles are 100% water resistant, stain resistant, and easy to clean. The tiles fit together tightly, preventing water, dust, and dirt from filtering through. Built-in antibacterial protection eliminates bad odors and limits the growth of bacteria, germs, and mold.
